at a time when the battle of Hastings and Magna Carta have become common currency in political debate this study of the role played by the Norman Conquest in English history between the eleventh and the seventeenth centuries is both timely and relevant

responses to the impact of the Norman Conquest examined through the wealth of evidence provided by the important Abbey of Bury St Edmunds Bury St Edmunds is noteworthy in so many ways in preserving the cult and memory of the last East Anglian king in the richness of its archives and not least in its role as a mediator of medical texts and studies all these aspects and more are amply illustrated in this collection by specialists in their fields the balance of the whole work and the care taken to place the individual topics in context has resulted in a satisfying whole which places Abbot Baldwin and his Abbey squarely in the forefront of eleventh century politics and society Professor Ann Williams the Abbey of Bury St Edmunds by 1100 was an international centre of learning outstanding for its culting of St Edmund England's patron saint who was known through France and Italy as a miracle worker principally but also as a survivor who had resisted the Vikings and the invading King Swein and gained strength after 1066 here we journey into the concerns of his community as it negotiated survival in the Anglo-Norman Empire examining on the one hand the roles of leading monks such as the French physician Abbot Baldwin and on the other the part played by ordinary women of the vill the Abbey of Bury provides an exceptionally rich archive including annals historical texts wills charters and medical recipes the chapters in this volume written by leading experts present differing perspectives on Bury's responses to conquest reflecting the interests of the monks they cover literature music medicine palaeography and the history of the region in its European context Dr Tom Licence is senior lecturer in medieval history and director of the Centre of East Anglian Studies at the University of East Anglia contributors Debbie Banham David Bates Eric Fernie Sarah Foot Michael Gullick Tom Licence Henry Parkes Véronique Thouroude Elizabeth van Houts Thomas Waldman Teresa Webber

this book shows how the Arab-Israeli conflict developed by looking beyond the legality argument to the men behind the policies it argues that Zionism was adopted by the British government in its 1917 Balfour Declaration primarily as a way to

control immigration the book places the violent reaction of the palestinians to mass jewish immigration in the context of zionism and revisits the controversies over the question of self determination and the partition of palestine arguing that israel was created through an act of conquest and subjugation the book concludes with a sobering analysis of the conflict arguing that neither jews nor arabs were to blame for starting it

conquests and consequences introduces students to the history of the american west by examining key questions about the identity of the region discusses how diverse societies and empires have shaped and reshaped the american west over the centuries looks at the points at which the west has functioned as a colony and its transition to functioning as a region examines how the concept of frontier functions in the west illustrated with numerous maps images and photographs in partnership with the buffalo bill historical center

i have at last completed this work it will be at once seen that in the narrative part of this volume even in the fuller accounts of william rufus henry the first and stephen i do not profess to tell the tale in full as the subject of this volume is the effects of the norman conquest i have written the history of those reigns from that special point of view my object has been to enlarge on everything that throws light on the effects of the conquest especially on everything that throws light on the relations between normans and english in england other matters i have cut comparatively short preface by author 1876
